

posAbilities Employment Service

posAbilities Employment Service along with Pacific First Aid Ltd. has created a modified and unique hands on

Emergency First Aid Training Course

for person's with intellectual disabilities. This course has been modified to incorporate more hands on practise, with simplified verbal testing.

The training is aimed at enhancing skills and training with certification to assist individuals with future employment opportunities.

Total cost of the course is \$73.50 including tax.

Please contact Pacific First Aid Ltd. for payment.

For more information or to arrange for training, please contact Anita at aparti@posabilities.ca
