## Head Start Employment Camp Spring Break 2016

Head Start is an innovative, fun and engaging Spring Break camp for youth between the ages of 14-18 who would like to learn about employment opportunities that await them after high school.

There are two Spring Break camp sessions, and registrants may choose to enroll for one or both sessions. We are pleased to partner with Laurel Behaviour Support Services to offer a PEERS® social skills training component to the camp for an additional fee.
